Frome Town Council welcomes applications for grants before 31 March 2010

Frome Town Council will be awarding community grants totalling £65,000 in May 2010. Applications must be received before the closing date of 31 March 2010.

Cllr David Oakensen, chairman of the Grants Sub Committee said, "The Town Council's grants scheme contributes £65,000 a year to local groups and I would encourage non-commercial organisations in Frome to consider applying. There are conditions, of course, the main ones being that we can only make grants that benefit the people of Frome and applications need to arrive at the Town Council's offices by 5.00pm on 31 March 2010.

"This year we have changed the way we award grants to make them more accessible to more groups by offering smaller grants of up to £300 with a simpler application form and also to make larger grants more responsive to Frome's priorities by linking them to this Council's Strategic Plan."
